

The Day
Before
Valen-
tine's
Day

Y-
yeah,
will you
show
me
how?

Yeah, I'm
just about
to start!
Are you
going to
make
some,
too?

Hey,
Tsu-
kasa,
tomor-
row's
Valen-
tine's.
Are you
making
any cho-
colate?

BWaaaah?!
These choco-
lates are
packed
with Ka-
gami's
love?!

Konata, I...
I tried my
hardest
and put
all my
feelings
of love
into making
these
chocolates
for you!

ふむ...

What
kind
of cho-
colate
do you
want
to
make?

But, I'm
sorry...
I'd rather
receive your
love directly than
get it through
chocolate!!

Sis?

Sis,
you're
kind
of
scar-
ing
me...

They've
gotta be
heart-
shaped
!!

Okay, sis!
Just write
something
on it and
it'll be
done!

Huh,
I was
kinda

After
130

Happy

Kona...

Okay...!!

Huh?
But you
were so
happy it
turned
out -

PLEASE!!

I got so
carried away.
I didn't mean
to put hearts
on it or any-
thing orz

Sorry,
Tsukasa!
Please,
switch
chocolates
with me!!
